## Island Bay Junior Soccer update

This season we have 456 registered players. We have 13 teams in the PDP, 28 teams competing in the Wellington district competition and 3 teams in the Federation, JPL and Promo league (total 44 teams). The senior club consists of 17 teams (15 men's and 2 women's) and approx. 280+ players, which combined comes to 700+ players, playing and enjoying the WORLD'S favourite game, right here in Island Bay.

The numbers playing football in the Wellington region have reached a record high, which as you will know has put some pressure on the football fields, with the inevitable cancellations.

A big thank you for the efforts of the team coaches, managers, grade coordinators and results coordinator, who have all risen to the challenge this season. As players and parents, let them know that you appreciate their efforts. A 'thank you' can go a long way.
